ABOUT THE ARTIST

Caroline Tabet is a Beirut-based photographer and director whose practice highlights human timelines over urban landscapes. Her work as a photography Joanna Andraos under the moniker Enigram brilliantly emphasizes cosmic human curiosity and its nods throughout urban mythology. As Enigram, her pictures were exhibited in Lebanon, France, and Germany from 2003 to 2010. Tabet also works to bring Beirut artists together through her art collective Art.Core. She directed her first short film "Faim de Communication" in 2002.
