ABOUT THE ARTIST

Italian artists Maurizio Cattelan and Pierpaolo Ferrari form an unstoppable production duo whose pictures have taken the art world by storm since their pairing in 2009. Driven by an intention to produce images that demand attention, Cattelan and Ferrari have defined a unique approach that fuses commercial commentary with lush surrealism. They founded Toiletpaper magazine, a publication that runs on the same foundation as their original artwork: singular, surprising images. Collectively, their works have been shown at the Solomon R. Guggenheim Museum, the Museum of Contemporary Art, and the Saatchi Gallery.
