ABOUT THE ARTIST

Nicolas Feldmeyer (Switzerland, 1980) is a Zurich-based artist who received an MFA with distinction from the Slade (2012). His choice of media includes art prints, short videos, and miniature postcard collages. Taking inspiration from ancient Eastern teachings and the tenets of European romance, Feldmeyer weaves storied pictures told through geometrical landscapes. Viewers can find within his works an earnest desire to send or receive a message unrelatable through language.
