ABOUT THE ARTIST

This artist is participating in **ART BARTER**.

How does it work?

- 1) The **identity of the artist is not revealed** before the end of the show. Each artwork is presented with only a number next to it, no name, price tag or title will appear.
- 2) The public is freely invited to **make offers on the artworks**, offering anything **except for money**.
- 3) The offers that the public makes become a growing part of the exhibition as they appear on the "**About the Artwork**" board. **Get inspired** by taking a look at the current offers!
- 4) All the offers will be passed onwards to the artists, who will then decide which service or good he wants to exchange his work against (if any).
- 5) The **winning bids** will be announced on Collectionair, artbarter.com and by email.
- 6) Collectionair and Art Barter will connect the artist with the successful bidder so that the exchange can take place.
